9.		-	

### Please note:

After having checked your documents we will let you know if you meet the entrance qualification for studying in Germany.

If yes, you will receive an invoice about € 120,- and the request to send us 3 certified copies of your certificates and 3 certified lists of all courses you have taken including your marks. If possible, please include translated German versions (stamped by an authorized translator) as well.

Please note that we can only start working after having received the money.
